    class HistogramData
    class MorseStatistic
    MorseStatistic --|> HistogramData
    MorseStatistic ..> HistogramData : mHistTone
    MorseStatistic ..> HistogramData : mHistPause
```

The diagram illustrates a class hierarchy where MorseStatistic inherits from HistogramData. MorseStatistic is a subclass of HistogramData, as indicated by the solid purple arrow pointing from MorseStatistic to HistogramData. MorseStatistic has two attributes, mHistTone and mHistPause, which are associated with the HistogramData class.
